

ADMIRAL STANSFIELD TURNER

Trip 7/21

12 July 1978

Dear Ray,

How typically thoughtful of you to write and offer hospitality during our forthcoming trip to San Diego. Pat will be along on this one, but we will be in town only briefly and will want to spend as much time as possible with our daughter and her husband, and with Pat's mother. For a while, we had hoped to be able to spend as much as a week in San Diego on leave but that has fallen through. In that event, we would have hoped to have been able to enjoy a relaxed visit with you and Dian--haven't had one since the terrace in Villa Nike or that singing and whistling fest in the Neopolitan restaurant!

If anything breaks in the schedule and there is some free time, I'll try to get in touch. In the meantime, Pat joins in sending our very best to both of you. Thanks ever so much for your thoughtfulness.

Yours,

Vice Admiral Ray Peet. USN (Ret.)

Admiral Stansfield Turner, USN
Director, Central Intelligence Agency
CIA Headquarters
Langley, VA 20505

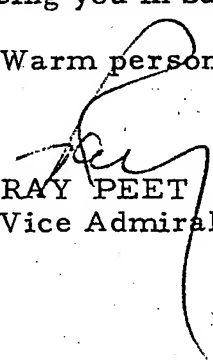

Dear Stan,

I understand you plan to be in San Diego Tuesday
8 August to speak to the Chamber and the Kiwanis Club
of San Diego. Why don't you bring Pat along and stay
with us while you are in the area? We'd love to have you.

I read continually of your trials and tribulations in
Washington and want you to know we appreciate the fine
job you are doing in our behalf.

Looking forward to seeing you in San Diego.

Warm personal regards,

RAY PEET
Vice Admiral, USN (Retired)
